EDUCATION

2011- 2015
Jawaharlal Nehru Technological University
B.Tech in Electronics and Instrumentation

2017
Passport to HSE
Certificate Training

SKILLSET

- Ability to read engineering drawing
- Hands on experience on IBM X3630 and X3250 servers
- Hands on experience on Lenovo Type 1-Type 3 workstation
- Ability to develop Telecommunications design
- Complete knowledge on material used for various systems
- Material Consolidation as per BOQ
- Ability to innovate methods to simplify work
- Hands on experience in configuring cameras
- Maintenance of servers and workstations
- Knowledge on designing network architecture
- MS Office
